

Lambretta

48
CC.
JUNIOR

"Here's *LIGHTWEIGHT* perfection"

This Model is of elegant lines, extremely practicable, easy to drive even for the person who has never used power driven vehicles. It is a vehicle which has been carefully designed so as to meet all travel demands. Low consumption, comfortable springing, silent engine, accessibility of parts for cleaning, are the features which render this machine most suitable for universal use, even on rough roads and in all kinds of weather.
