Here is the super deluxe model of the world's most popular motorbike. Millions of happy Honda owners praise its extremely high quality, great gasoline economy, simple controls, easy handling and superb reliability. New with this deluxe model are a neat carrier fitted in front and an optional basket for it, pilot lamp inside headlamp, turn signal buzzer, double-sided ignition key, larger round rear view mirrors and many other features. Riding is simple, with all controls ideally positioned and an easy-for-anyone-to-use automatic clutch. The OHC 4-stroke engine produces 6.2 bhp and gives great fuel economy, too. Smooth suspension, powerful brakes and bright lamps promote riding safety.
